A Gift from One Generation to Another

The Woman's Club of Chatham, the 102-year-old institution that called the library home for the past 15 years, has disbanded, but not before leaving a very special legacy. Club Co-President Theresa Kandalaft presented a check for \$75,000 to Library Director Karen Brodsky and Library Board President Andy Hollander. This check is in addition to a \$75,000 donation given to the library previously. The money will be used to create a Teen Room as part of the Bridging Space to Place project.

Teenagers are very much present at the library. On any given day, they can be seen reading, talking, doing homework, using computers, or just "hanging out". When the project is completed, they will have a space they can call their own. Thank you Woman's Club of Chatham for supporting the next generation of readers!
