## Meet at the Library

These days, the library is more than a place for books. Increasingly, it has become a place where people gather. The Chathams are known for their large number of community groups. Many of them are choosing the library as the place for their meetings and events.

Quilters, Toastmasters, the Sierra Club, as well as writers, cultural organizations, and Boy and Girl Scouts galore – there is room and a warm welcome for everyone. In September alone, 29 different community groups booked the library's meeting rooms for a total of 40 meetings!

We have four rooms of different sizes, the largest of which holds up to 150 people. Our audiovisual and computer equipment can accommodate most presentation needs. You can request a room on the library's website by clicking on the Meeting Rooms tab at the top of the screen. There is no charge for nonprofit Chatham-based community groups to use the library's meeting rooms.

More than ever, we feel the community's need for meeting space. That is why one of the purposes of our Bridging Space to Place Campaign is increasing the size and flexibility of spaces available to the residents of the Chathams.
