

Enhancing your library through private funding

Dear Chatham Residents,

January, 2019

It is that time of the year again! Time to renew or begin your membership to the Friends of the Library of the Chathams.

Friends support is the backbone of your ever growing, resourceful, technologically relevant library- your place to discover, grow, play, inspire. In the words of two of our junior library users – “We love the Library! Our favorite things are meeting animals like the mini pony and being able to create our own stories on the computer.” Caitlin and Henry Ross, age 7- Both of these activities are sponsored in part by the Friends.

Through the continued generosity of the Friends, library patrons are able to take part in programs such as:

- Telescope & musical instrument borrowing
- Art classes
- Continuing Adult Education series
- Pre loaded i-Pads for borrowing
- Audio books for the visually impaired
- Summer reading programs
- **Free** museum passes to the Intrepid Sea, Air and Space Museum, Imagine That!!!, Museum of the City of New York, The Guggenheim, International Center of Photography, just to name a few.

We encourage you to visit our website to learn more about these and many other library offerings and opportunities made possible by the Friends. (www.chathamlibrary.org)

Join or renew today. Chatham resident donors will receive an invitation to our Book Sale Preview Party on Friday, March 8, 2019, and as a special “thank-you” this year, may sign up for a “private shopper” who will gather up to five books of your choice and have them waiting for you to purchase during the Preview Party. More details will follow.

Everyone needs Friends- won't you be one to the Library?

On behalf of the Friends of the Library Board, we thank you for your support.
