

DO YOUR PART: HELP GET OUR KIDS BACK TO SCHOOL

Chatham residents agree: we want our children to succeed and be happy, and in a perfect world, the best way for our children to take advantage of our top-quality schools is to attend in-person.

In order to HELP GET OUR KIDS BACK TO SCHOOL, we must keep Covid-19 infection rates at their current low levels.

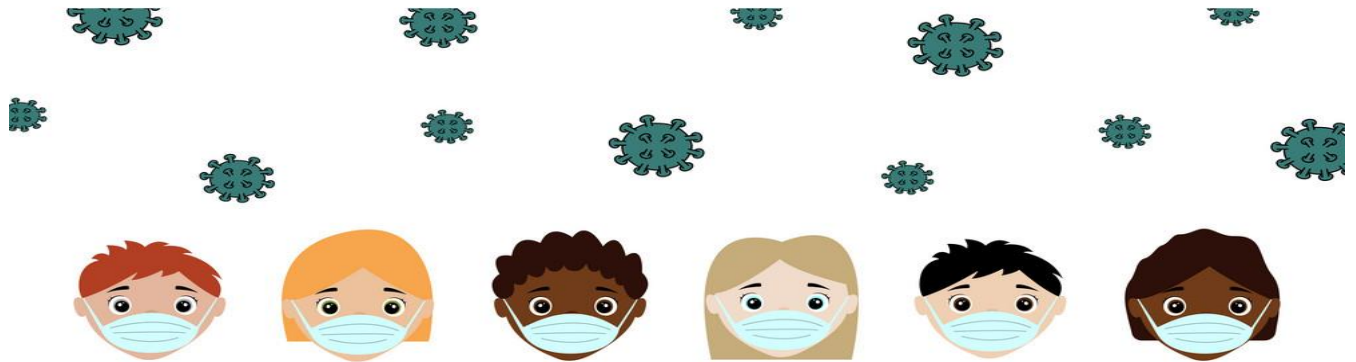

Experts agree that to do this, we must:

1. Wear a mask in public;
2. Maintain a 6-foot distance from people outside our families; and
3. Wash hands frequently.

Please continue to follow these three steps to avoid the spread of Covid-19 and HELP GET OUR KIDS BACK TO SCHOOL!

Sincerely,

**Chatham Borough Board of Health
