A Jersey girl her whole life, Terrie Carr is the Program Director and Midday Host at 105.5 WDHA-the Rock of New Jersey, NJ's premiere rock station. You can hear Terrie's voice on air, but you may not know that behind the scenes Terrie programs the station, managing a staff of over thirty employees.

In addition to being the #1 radio station in the area with people between the ages of 18 and 54, and having a presence in the rock and entertainment community with some of music's biggest stars, WDHA has a community connection that is unprecedented. The station reaches out helping to improve the lives of New Jersey residents, hosting events, getting involved in charitable causes and fundraising opportunities with the GI Go Fund, Habitat for Humanity, and more. Terrie's personal mission is her "Rock N' Ruff" Program which has found homes for thousands of New Jersey shelter animals since its inception in 2010. Terrie produces a charity calendar yearly featuring rescue dogs and their stories that has raised tens of thousands of dollars for NJ's local animal shelters.

Terrie is mama to two pups of her own, Scarlet and Rosie. Terrie's mantra is "Doing what you love and giving back". The true key to happiness.
